W3 Schools Quiz Results

20 March 2022

The screenshot shows the W3Schools website interface. The browser address bar displays `w3schools.com/quiztest/quiztest.asp?qtest=SQL`. The website header includes navigation links for Tutorials, References, Exercises, Pro (NEW), Website, Paid Courses, and a Log in button. A dark navigation bar lists various technologies: HTML, CSS, JAVASCRIPT, SQL, PYTHON, PHP, BOOTSTRAP, and HOW TO. On the left, a sidebar titled 'W3Schools Quizzes' lists various quiz categories, with 'Quiz SQL' highlighted in green. The main content area displays 'SQL Quiz' and 'Result:'. The results show '25 of 25' questions completed, a score of '100%', and the status 'Perfect!!!'. The 'Time Spent' is recorded as '7:45'. At the bottom of the results section are three buttons: 'Check your answers', 'Try Again', and 'Back to Quizzes'. A red advertisement banner for 'Get Home Internet LTE Uncapped 10Mbps' is visible above the results. On the right, a blue advertisement for 'Standard Bank' promotes a 'small opening deposit of just R250'. The Windows taskbar at the bottom shows the system clock as 00:55 on 2022/03/20.
